Staffing Update - Mr and Mrs Donaldson

For over 12 years, I have loved leading the school. In that time, together, we have become the school of choice in Wigan, built an amazing new school and ensured that your children develop a love of learning that has helped them to be happy and exceptionally well prepared for their next stage of education and the rest of their lives.

Therefore, it is with some sadness that we let you know that we will be moving on to start a new adventure in September, supporting service children's education overseas. It needed to be a very special opportunity to take us away from such a special community and we will miss 'each and everyone' of you.

I am sure that the governing body will not struggle in attracting a vast array of talented leaders to apply to be the Headteacher of such a highly regarded school.

I will keep you posted on how the recruitment process is progressing. In the meantime, we will look forward to our time together over the next six months.

Parents' Evening is an ideal opportunity for you to celebrate your children's success, progress, to be clear about your child's next steps and how you can help your children to achieve these.

Please complete the reply slip on the bottom of the parents evening letter or sign the appointment list in your child's classroom next to an available time slot.
