SMSC- D.T.

Britannia Bridge Primary School

Spiritual, Moral, Social and Cultural development is a promoted across the school in the following ways.

Spiritual

Pupils' spiritual development is shown by their:

- Ability to investigate technological advances and use their imagination and creativity to design, make and evaluate their own products.
- Sense of enjoyment and fascination in learning about products in the world around them.
.

Moral

Pupils' moral development is shown by their:

- Interest in offering reasoned views about product research and design and their appreciation of the viewpoints of others.

Social

Pupils' social development is demonstrated by their:

- Use of social skills when testing and investigating materials and products with other pupils; including those from different religious, ethnic and socio-economic backgrounds.
- Ability to work as a team, recognising others' strengths and sharing equipment.

Cultural

Pupils' cultural development is shown by their:

- Understanding and appreciation of how different cultures have contributed to technology and show an appreciation of cultural influences that have shaped the technology around them.
